16px padding

DO

- ✓ Use logo on white, black, or warm gray backgrounds
- ✓ Keep the VW monogram and wordmark together
- ✓ Use red as the primary accent — sparingly on CTAs
- ✓ Maintain high contrast for readability at all times

DON'T

- ✗ Stretch, skew, or rotate the logo
- ✗ Use red as a full-page background color
- ✗ Remove the vertical divider from the logo
- ✗ Place the logo on busy or low-contrast backgrounds
